REALTORS Care Foundation of GTAR

2918 W. KENNEDY BLVD.

TAMPA, FL. 33609

I don't know where to begin. On December the 14th, 2007, our home was destroyed by fire. We lost everything we owned including our animals. At our age, we weren't sure we had the strength to start over, nor the finances.

Although the insurance company was required by law to send us 10% of the value on the interior within 48 hours to acquire temporary housing, clothing, and food, they chose not to respond until the end of March, after the Insurance division opened a case against them. Our faith told us to hold on and believe, it was difficult. Then light began to shine at the end of a very dark tunnel.

The city of Clearwater opened an account for donations from City employees, Realtors, Realtor Associations and individuals. Among the first to respond was the REALTORS Care Foundation of GTAR. There is no way I could ever express how much that meant to my "Bride" and I. This is a weak attempt to show how appreciation, and say Thank You. I have no idea what we would have done with out you.

May God bless you as much as you have blessed us.

Thank You! Thank You!
